WHAT IS THE MUSIC MAN "EXPERIENCE"?

The Music Man Singing Ice Cream Shoppe delivers to its audience an "Old Fashioned Ice Cream Shoppe" experience with a twist. Performing waiters and waitresses may ask someone at a table: "What would you do for your ice cream sundae?" It's a scream when they have to shake for a shake or sing for an sundae.

Once everyone is served an ice cream sundae, the performers put on a cabaret show that consists of Broadway, as well as American songs. This family experience will surely entertain and delight!

Simply put -

We have created an innovative, highly entertaining new approach to providing value-priced family fun with continual appeal to all ages.

The Music Man is a magical, positive place that brings friends, families and neighbors together to enjoy great food and upbeat entertainment. In fact, sometimes they even find themselves becoming part of the show!
